Yale Day of Service (YDOS) is an annual event involving alumni working in communities around the world. This year, due to the COVID crisis, it has adapted to social distancing protocols. Brandt Knapp and Jieun Yang, the organizers are part of a sub-series called The Architect is IN. This group is comprised of architects who work with communities on placemaking. Brandt and Jieun created this project in collaboration and consultation with the following partners in Newburgh: Naomi Herson-Ringskog (Dept of Small Interventions), Ashley and Ron (Outdoor Promise), Kate Clarke (President, HOH PTO), Sabrina Dolfinger & Michell Jumps (Teachers, HOH), and Lisa Kochik (Head of Youth Services, NFL). For any ideas or questions, contact Naomi Herson-Ringskog, Dept of Small Interventions, Newburgh, NY dosmallinterventions@gmail.com
