Greetings SMS families,

Spring has sprung! Hopefully, this is the end of the inclement weather days. We want to thank you again for your understanding and flexibility you have had to endure this winter season. It definitely hasn't been a typical winter. Warm weather and green grass will be very welcomed!

I am pleased to welcome more students back in the building! As you have been made aware by NECSD, grades 6-8 will be participating in the ELA/Math State Exam and the Science 8 written exam. All the exams are shortened and we encourage our scholars to take this exam as the results will provide very important data for future teaching and learning.

The end of the marking period is near, April 16, 2021. If you have any questions, feel free to contact your child's classroom teacher. The district is preparing for a robust of summer enrichment programs, look out for more information coming soon.

This year is coming to an end very quickly, please make sure your student is arriving to class, whether in person or virtually, on time every day and ready to learn!

Chanté Brooks

Test Taking Tips & Strategies

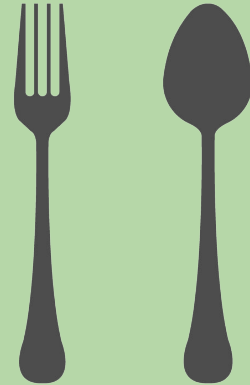

5 Tips for Testing Success!

Get plenty of rest!

Stick to an earlier bedtime and try to shut off your technology before 9 PM

Eat a good breakfast!

Whether it is at school, or at home, it's important to have something to eat before breakfast. Make sure it's not loaded with sugar!

Be on time!

Attendance is important and being on time will help reduce stress before the test.

Follow Directions!

It is important to listen to your teachers as they explain the directions for the test.

Relax and take a deep breath!

Everyone at South Middle School believes in you, you got this! Don't stress!
