

# iRead Mobile Access – Newburgh Enlarged City School District

The iRead app is available to all students with active program log-ins. Teachers and students may access the student software on an iOS- or Android-based device by downloading and configuring the app.

Download the *iRead* app from the iTunes App Store or the Google Play Store.

To access the app, devices must meet the following requirements:

#### iOS Based

- iPad 2 or later
- iOS 8 or later
- Headphone recommended (available separately)

#### **Android Based**

- Android 5.0 or later
- 10-inch screen recommended
- Headphone recommended (available separately)

## 2. Configuring the *iRead* App

### iOS iPad Device

Prior to the first launch of the app, tap the **Settings** icon on the iPad Home Screen. Tap the *iRead* icon from the Settings menu.
