

June 2018

Dear New 5<sup>th</sup> Grader and Family,

Welcome to Team B, The Shaffer-Wilson Team! We are very excited about this upcoming year. Ms. Wilson be our Reading and Science teacher and Mrs. Shaffer will be our Math and Social Studies teacher.

As a team, we will work hard, celebrate our accomplishments, and face our challenges together. We will be learning and practicing "The 7 Habits of a Leader" by Stephen Covey (author of 7 Habits of Highly Effective People) which we believe will help all of us learn the importance of leadership and perseverance. We are looking very forward to helping your child achieve his/her potential.

To make sure you are ready for September, please read at least three books this summer and practice your basic math facts in multiplication and division.

We believe very strongly in the teamwork needed between parents and teachers. YOU truly are their first teacher. Thank you in advance for your support and we can't wait to see you all at Open House in September!

Sincerely,

Mrs. Shaffer and Ms. Wilson  
Team B
