Dear Parents/Guardians,

Welcome to 4th grade! I am excited to have the opportunity to work with your child this school year and to partner with you in their educational journey. As we embark on this new academic year, I wanted to take a moment to introduce myself and share some important information with you.

My name is Janie Bravo, and I will be your child's 4th-grade teacher for the upcoming school year. This is my 4th year of teaching (Prek-5th Grade) and 2nd year in 4th grade and I am passionate about creating a supportive and engaging learning environment where every student can thrive.

Communication is key to your child's success, and I encourage an open line of communication between home and school. Please feel free to reach out to me with any questions, concerns, or updates regarding your child. You can contact me via email at jbravo@necsd.net. As the first day of school gets closer, I will invite you all to our clasdojo.

This year, homework will be an extremely vital reinforcement tool for your scholar's academic mastery. Homework will be assigned weekly with the expectation that it will be turned in on time and fully completed when due. Our scholar will also be responsible for various assignments/projects that may require commitment of time at home.

Since attendance and scholarly behavior at Horizons on the Hudson are crucial to the learning process, it is imperative that your scholar attends school every day on time, prepared and ready to learn. Being part of the Unlimited Horizons program means coming to school each day, presenting your "best self" both socially and academically

I look forward to building a collaborative relationship with you and your scholar for an exciting and productive year ahead!

Warm regards,
Janie Bravo
